

Co-organizers:

PRTR: Making the data on pollution understandable to the public

Side event of non-governmental organizations at
MOP6 of the Aarhus Convention – Budva

Friday 15 September / 13:15 – 14:45

Hotel Montenegro (Bojana or Zeta meeting room)

Free coffee, tea and snacks will be served for the participants.

Agenda:

Importance of pollution data for the public. /
Why citizens of certain countries do not have
access to information?

Martin Skalsky, Arnika (CZ)

Example of the best practice: Integrated
pollution registry of the Czech Republic

Eduard Hlavaty,
Ministry of Environment (CZ)

Interpretation of the data: Polluters under the
magnifying glass & Top tens of largest polluters

Martin Skalsky, Arnika (CZ)

Access to the pollution data in non-EU countries
where PRTR systems do not exist: Alternative
PRTRs in Bosnia and Herzegovina & Kazakhstan

Zuzana Vachunova (CZ/BiH)
Svetlana Mogiluk, ECOM (KZ)
